

Renovation

C.P.J. Field.

More than a funeral director since 1690.

Time takes its toll on even the most beautiful memorial. Exposed to the elements, the stone can weather, the letters fade, or the ground settle so that the stone lists.

The good news is that almost all these things can be corrected.

Our highly skilled craftsmen will carry out an inspection of your memorial and give you recommendations and an estimate for any work required to bring the memorial as near to its original condition as may be.

Please ask our staff for further details.
