CORONAVIRUS: STOP AND READ

When visiting our funeral home, please:

1. Keep visitors to 1 or 2 people from the same household.

2. Make an appointment to visit in advance.

3. Do not enter if you or anyone in your household is experiencing symptoms (raised temperature, persistent cough or changed sense of smell or taste). Contact us by phone or arrange a Zoom call instead.

4. Visitors must observe social distancing guidance at all times. Look out for the signs that help you keep the right space between you.

5. Wash your hands regularly. Use the hand sanitiser provided or use warm water and soap available at sinks in the lavatory.

6. Catch a sneeze in your sleeve or a disposable tissue and place it in the bin immediately and clean your hands. Keep contact with your face to a minimum.

7. Wear a face covering if you feel more comfortable, and you can ask our colleagues to do the same.

8. The time will come for a handshake or a hug. For now, we'll have to make do with a wave, as much as we want to demonstrate to you how much we care and give you comfort.

For everyone's safety, please:

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Please dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.
