As a tenth generation family owned and managed business, community is at the heart of all we do. As such, we actively engage with and support a great many local charities and initiatives in the areas within which we serve, many of which fall outside of the CMA's requirement to report. For more information about our community activity and Never Alone groups, please have a read of our annual community report found here on our website: [www.cpjfield.co.uk/community-support](http://www.cpjfield.co.uk/community-support)
